1. Introduction by the president Cyrial Talon

Welcome word and follow-up on 2021 events and actions, in particular:

- **WAC** have been cancelled and there is still risk that 2022 WAC are also cancelled;
- **LAA's Polo, hat and patches:** Nicolas got the information that missing items (hats & patches) should arrive soon (despite Barnstormer requesting again the logo and design) and Johan has been informed that if any member is still missing his Polo, Barnstormer may be able to provide few remaining polos (end of series). Moreover, it could be that some members have received the wrong size of Polo and Philippe Maisonnat will contact all members so that they check if they got the relevant size.
- **Security person:** Jean-Paul and Cyrial will discuss and organize between them to be compliant with the Lux Airport requirements;
- **Website overhaul** is almost terminated (slightly delayed due to a busy end of year ;)
- **FAL** has been invited to attend the General Meeting but no representative is present.
- **CIVA:** Cyrial will try to negotiate so that team can be constituted as from 2 pilots.

2. Financial situation by the treasurer Johan Belot

- Johan presented the financial situation and expenses for 2021 leaving the association in a healthy financial situation with (3290.47) € on the account.
- A 1000 EUR budget will be allocated to the LAA Team that will participate to the 2022 WAC;
- The membership fees for 2022 remain the same as those in 2021: 50€ (no extra fee for FAI license) and all Members are invited to pay their membership fee for 2022 on the LAA account: LU83 0019 3555 2351 8000.
- An individual reminder has been sent to members that still have to pay their 2020 and/or 2021 memberships.

 - **LAA wishes to organize an open, friendly and funny competition.** This LAA competition could take place during one single day and should be opened to all aerobatics levels. Date and location still to be defined (likely on Sat. 03 September in Chambley, with Sunday as back-up plan). Johan will liaise with Chambley to test the possibility. Nicolas Ivanoff or Pierre Varloteaux could draft the different unknown programs (one program only/day/pilot). Depending on number of participants from LAA members, competition could be opened to external regional pilots. Judges could be Didier Amelinckx and Alain Degas.
- **Team general information**
 - Fernie has received her “*lâcher voltige*” in Verdun;

4. Trainings (Nicolas)

- It has been agreed that external members wishing to participate to LAA aerobatic training camps should pay their LAA membership
- 2 trainings LAA planned and confirmed in 2022 so far, with Nico as coach
 - 16-20 May in Chambley
 - 27-30 June in Albert Bray

5. Instruction (Gerrit)

- Gerrit bought a new Extra NG that will be delivered in May 2022 and should be available for instruction starting in June.
- The official EASA aerobatic training is incorporated in Gerrit's DTO so the EASA aerobatic rating can be obtained with him.
- Upset Prevention and Recovery Training (UPRT) is also available and can be done in a Luxembourg ATO (for future professional pilots).
- Instruction is also available in Verdun with Alex and Cyrial on the CR100 that should be back from overhaul in June.

6. Vote on board members

- All members have extended the appointment of the current members of the board for another year.

The meeting was closed by the president at 20h40.
